## TIUTALAWH3 #19: Ass Wednesday Hash

Hash Starts at: 4 Lumber Street in High Spire

Directions: This is the HUGE red brick building across the way from Champions Bar. It has Hartman and Sons moving and storage painted on it. It is 7 stories tall you cannot miss it.

Comments: This hash will break all the rules, and last I checked we had no rules. Flashlight required... Come one cum all..... I challenge anyone with the guts to catch us... Ya'll too skeered.... Try it,,,,,

Safety glasses and hard hats recommended. This trail is not wheelchair accessible. Dress for the weather it may be cold and wet... dress like a homeless beggar and dude will take pity and pay your hash cash for you...

Trail is A to who knows. It will be a traditional dude trail, another words,,, good luck surviving... before trail munchins and on-after dinner will be provided.
